

Bronze rating in sustainability assessments by EcoVadis acquired

SEIWA KASEI, a Japanese manufacturer of cosmetic ingredients, has been awarded a “Bronze” medal in EcoVadis sustainability assessment, placing us among the top 35% of companies assessed worldwide.

EcoVadis is a globally recognized sustainability assessment platform, with more than 175,000 companies worldwide assessed on their sustainability practices across four areas: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement.

Receiving EcoVadis Bronze Medal, placing SEIWA KASEI among the top 23% of companies assessed demonstrates the results of our efforts we have made toward sustainability.

We have been actively working to develop human resources and create a more inclusive and supportive workplace, with a focus on diversity and work-life balance. As a result, our score in the Labor & Human Rights category increased to 78, significantly exceeding the overall average. SEIWA KASEI also achieved a 6% increase in its total score compared to the previous year.

The bronze medal marks an important milestone. We will continue to build on this achievement, further advancing our initiatives and striving for continuous improvement.
